12. Introduction

Shree Chandraprabhu Jain College was started in the year 1997. It is an Self Finance College affiliated to University of Madras. The college is situated on a sprawling campus of 27 acres of land with a spacious building. It has excellent infrastructure required for the pursuit of higher education for all the programs offered in the college to achieve academic excellence. Because of its multifaceted growth, the college has won appreciation from all corners. Apart from Bachelor degree programmes in Arts, Commerce and Science the Institution offers P G degree programmes in M.Com (General) and M.Sc (Computer Science).

The college offers Eleven undergraduate programmes and two Master's degree programmes, The college has adopted CBCS pattern for both UG and PG programmes.

The College has a clearly defined organizational structure for the optimum and effective decision making and implementation. The College makes an inventory of the available human, intellectual, financial and infrastructural resources, and utilise the same judiciously to achieve the Vision and Mission as stated below for the development at large.

13. The Vision statement

To develop this Institution as one of the most preferred destination for promoting a promising career for students with a special focus on the underprivileged society. To mould the students as disciplined citizens and employable potentials fostering the values and traditions of this country leading to prosperity of not only the individual but also the nation.

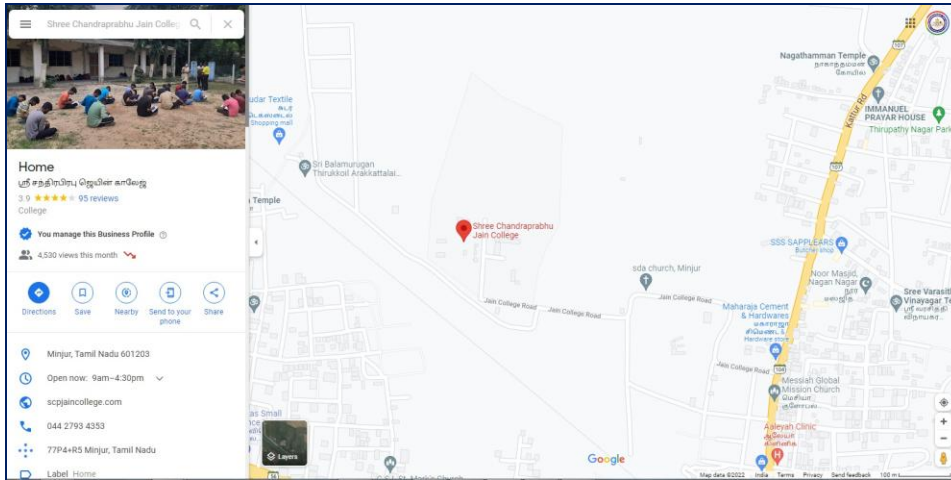

14. The Mission of the College

To develop the potency and competence of our students by providing excellent education by promoting their skills for the betterment of their lives, the society and the country. Students are the future pillars of the nation. Its the responsibility pf the institutions across the globe.

15. Objectives of the College

- ◆ To serve the academic community for the upliftment of the academic activities of the college.
- ◆ To provide modern equipment for effective teaching, learning & research.
- ◆ Providing computerized information, by electronic storage, retrieval and dissemination.
- ◆ To cater the needs of the information to the users.
- ◆ To provide current and complete information regarding the today's trends.
- ◆ To prepare the users for competitive examinations.

16. Location of the College

17. Governance

The Vision, Mission and Objectives of the College reflect the nature of governance, perspective plans and participation of the teachers in these decision-making bodies of the College. The governance of the institution is carried out with the support of following bodies constituted as per the University norms:

- ◆ The Management
- ◆ Governing body
